## BOARD OF FINANCE

We now have 78 claimants who are more or less dependent on the Conference Claimants Fund for support, many of them entirely so. We regret that the small apportionment we have to dole out to them is hardly sufficient for the bare necessities of life; and but for the kindness of friends and relatives some of them would suffer from cold and hunger. We urge the brethren to keep this fund constantly before the minds of our laymen until we provide for our retired preachers and their wives an adequate support.

We have asked for an assessment of \$24,500.00 for the Conference claimants, which is only a slight raise over last year.

We regret that some of the districts failed to make the assessment against the various charges for the Superannuate Endowment Fund last year, and recommend that the Presiding Elders call attention to this assessment, which is one per cent of amount paid for ministerial support the past year, at the District Steward's Meetings and send out notice of the assessments to the pastors along with the other assessments.

We have assessed \$1,000.00 for printing the minutes.

Respectfully submitted,

J. F. CARTER, Chairman,

JNO. W. GOODWIN, Secretary.

## BOARD OF EDUCATION—REPORT NO. 1

The General Conference adopted the following resolution:

"We recommend that the right of way be given to the Centenary Movement the first two years, and to the Educational Campaign the second two years of the Quadrennium and that during these two periods as far as possible the full power of the church be delivered in these respective campaigns, has set forth its definite recognition the great importance of missions and of education and the great responsibilities that are now resting upon us as a church in regard to these, and inasmuch as the work of the World War so recently passed, has so tragically revealed to us the awful results of education without Christ; Therefore, Resolved first: That we feel jointly with the other conferences our responsibility to concentrate all our attention in an effort to bring before our people the importance and necessity of stressing in the home, the church, and the school, that none are educated until they know God and that the only way to know him is through the gospel of Jesus Christ;

Second, That as a Conference we will heartily co-operate with the educational commission's great objective in carrying out the instructions of the General Conference;

Third, That we will do all in our power to fix the attention of our people upon the fundamental place of Christian Education in the life and work of the church;

Fourth, That we appoint a Conference Educational Commission to be made up as follows: W. F. Bryan, S. W. Thomas, A. A. Waggon, V. A. Godbey, W. L. Dean, Marvin Kelly and James Kilgore for the purpose of co-operating systematically with the Connectional Educational Commission in order that the necessary plans may be put into operation for securing the aid of all the churches for this movement;

Fifth, That we assume as our quota \$948,900.00, and authorize our Conference Educational Commission, with the Presiding Elders, to divide this amount equitably among the charges and churches of the Conference;

Sixth, That we recommend the appointment of a capable Secretary of Education who shall give his whole time to this work, and that he shall be the Executive Secretary of the Conference Educational Commission and that we pledge ourselves to co-operate with him in our charges."

JAMES KILGORE, Chairman,  
H. M. TIMMONS, Secretary.

## BOARD OF EDUCATION—REPORT NO. 2

Your board has carefully considered all the interests represented and rejoice in the progress that is being made.

### **Southern Methodist University**

Southern Methodist University is rapidly coming to be one of the leading educational institutions of the entire country. It is limited only by its lack of facilities to care for the great number of students seeking admittance.

#### **Theological Department of Southern Methodist University**

The Theological Department of the Southern Methodist University is making every effort to meet the increasing demands for a trained ministry. Special attention is directed to the School of Missions recently established.

#### REPORT OF THE BOARD OF MISSIONS

Our Conference has passed another milestone of its successful progress. Despite the dethroning of King Cotton our pastors have made remarkable collections and your Board of Missions has received its share.

The ten percent (10%) refund from the Centenary has made it possible for the Executive Committee of your Board to assist our Presiding Elders in strengthening old points and in enterprising new work during the year.

The newly projected enterprise at Texas Agricultural and Mechanical College has already justified the action of the Board in entering that field. Three other conferences in Texas have joined us in the support of the pastor to the students and the interests of the Home Department of the General Board of Missions has been enlisted.

The appropriation of a small amount to the Student Volunteer Band at Rice Institute, Houston, Texas last year resulted in the contribution of a much larger sum by individuals.

Our Conference Missionary and Centenary Secretary, D. H. Hotchkiss has rendered invaluable service to the Conference. We recommend that Bishop Answorth re-appoint him to the same work.

We recommend that Bishop Answorth appoint King Vivian associate pastor, First Methodist Church, Bryan to serve the student body at Texas Agricultural and Mechanical College.

For the third year in succession your Board is able to appropriate each request made by the Presiding Elders for our Mission charges.

We recommend the appointment of R. J. Smith, O. F. Zimmerman, E. C. Escoe and H. S. Alkire as Conference Evangelists and C. E. Moeck District Evangelist in the Beaumont District.

We recommend the appointment of C. B. Fuller and E. V. Tunnell as District Missionaries and we appropriate \$2,000.00 each for their salaries making a total of \$4,000.00 for this purpose.

---

## REPORT OF SECRETARY OF MISSIONS

The labors of your Secretary of Missions this year have been so constant, and so varied that to spare space and time, I shall seek to summarize these briefly.

### Field and Office

During the year I have spent one-half or more of the time in the field, and the rest almost without intermission, in the office which I have been compelled to maintain. All of the ten District Missionary Institutes were visited, nine of the District Conferences, the Woman's Missionary Conference, the Epworth League Conference, and nearly seventy-five pulpits, in all of which the Centenary interests were presented. Three conferences of Missionary Secretaries were attended outside the state, some 26,500 miles being covered in all the travel of the year. From the office we have dispatched 10,000 pieces of mail, seeking to keep in close and helpful touch with the ten Presiding Elders, 225 pastors and 600 local Centenary treasurers in the Conference.

### Revival Campaign

Early in the year attention was called to the program of re-

vival effort proposed throughout the whole connection, and under the leadership of Bro. W. H. Vance, and the District Directors appointed by him, much work was done to aid our pastors in this campaign. The pre-Easter efforts closed with some 3,054 accessions, of whom 1,654 were on profession of faith.

### Stewardship and Tithing

In the matter of Stewardship and Tithing the tabulated figures are as follows—

Beaumont District	98	Jacksonville District	168
Houston District	138	Marshall District	81
Marlin District	39	Texarkana District	131
Navasota District	255	Tyler District	47
Timpson District	117		
Brenham District	175	Total	1249

There is reason to believe that many signed cards of those who pledged to observe tithing have not been sent into Nashville. This important doctrine of the Stewardship of Life, Service, and Property ought to be preached to our people till the last one shall recognize his duty in these respects.

### Pledges and Collections

Much of time and effort has been expended this year in making complete the records of the pledges made last year.

They are as follows:—

District	Quota	Pledge	Paid	Pr. Ct.
Beaumont	\$110,000.00	\$115,831.75	\$ 21,474.95	.19
Brenham	98,000.00	67,551.30	19,723.82	.29
Houston	156,000.00	220,274.00	48,506.65	.22
Jacksonville	132,000.00	90,405.80	20,183.51	.24
Marlin	136,000.00	71,211.80	18,638.28	.26
Marshall	119,000.00	93,705.50	18,201.94	.19

The above figures do not include the pledges made by Sunday Schools and Epworth Leagues, but these are as follows:

Sunday Schools, pledged, \$69,136.75; paid \$8,801.20.

Epworth Leagues, pledged, \$6,978.75.

Totals, \$76,115.50.

These sums added to the individual pledges make the total amount pledged in our Conference to be \$1,097,760.59.

### Specials

In our Conference there are Centenary Specials carried amounting to \$59,886.00. If we had a half million dollars covered by specials it would make it easier to collect our pledges. Pastors are urged to present the matter of taking specials to our Sunday schools and churches.

In conclusion I wish to say that I am confident that the vast number of our people made, in good faith, their pledges and that diligence on the part of the workers will bring us success in the end, and also to express my deep appreciation for the uniformly courteous and helpful assistance rendered by my brethren, the Presiding Elders, the pastors and the laymen with whom I have labored this year in this cause. Respectfully submitted,

D. H. HOTCHKISS.

**SUNDAY SCHOOL BOARD**

We heartily recommend the splendid work of I. F. Betts. He has held during the year 46 institutes, at which there was an average attendance of 12 to 15 schools. Over 250 schools in the Conference have thus been reached and helped. Thirty-eight students from our Conference took credit work at the Western Training School at Dallas in June and 18 at the Standard Training School in September.

Three other training schools are planned for the early part of the incoming year, one each at Texarkana, Beaumont, and Houston. There has been a large increase in the circulation of our magazines for workers, the church school and the superintendent and his helpers.

We are gratified to report a Conference organization and District organization. The Conference Elementary Department, Mrs. V. A. Godbey, Superintendent, has been especially effective.

We are glad to acknowledge the fine work done in our institutes by our connexional officers, E. R. Stanford, General Superintendent of Intermediate Senior Work and M. W. Brabham, General Superintendent of Rural Work.

Sunday School Day was not well observed. One of the reasons for this, we believe, was the confusion and delay in securing the programs for this day.

We recommend the re-election of I. F. Betts as Field Secretary. We recommend the selection of the following Departmental Superintendents: Field Work, Dr. V. A. Godbey; Elementary Work, Mrs. V. A. Godbey; Intermediate Senior, Miss Fannie Mae Bass; Young Peoples'-Adult, H. V. Watts; Missionary Education, E. G. Cooke; Teacher Training, R. E. Ledbetter; Rural Work, J. C. Huddleston.

We urge that every Sunday school in the Conference have a Teacher Training Class.

The church is in a great forward movement in regard to Christian Education, of which the Sunday school is a vital part. May we all do our part well.

I. F. KEY, Chairman,  
R. E. LEDBETTER, Secretary.

### CHRISTIAN LITERATURE

All of our publications, the Methodist Review, Christian Advocate, The Missionary Voice, The Epworth Era and all of our Sunday school periodicals are worthy and deserve the highest commendation. These publications are entitled to the strongest support and the widest circulation possible.

We especially call the attention of the preachers to our Methodist Quarterly Review and urge that they read it.

We had before us the editor of the Texas Christian Advocate and the annual report of the Joint Board of Publication. Our Conference organ is meeting the purposes for which it is published, but its usefulness could be greatly increased by extending its circulation. To this end we heartily concur in the effort to secure during the next conference year at least twenty thousand new subscribers. We recommend that this conference accept its quota of 3,460 new subscriptions, made by the Joint Board of Publication and we also

recommend the distributions of this quota among the several districts as follows: Beaumont District 350; Brenham District 225; Houston District 425; Jacksonville District 350; Marlin District 325; Marshall District 350; Navasota District 325; Texarkana District 375; Timpson District 375; Tyler District 375. We further suggest that at least three churches in each district put the Advocate in their budget for next year.

We recommend that December 5 to 12, inclusive, be set aside as Texas Christian Advocate Week.

We heartily commend the Joint Board of Publication in its action in re-electing Rev. A. J. Weeks, whose editorial policy we heartily approve.

We note with pleasure the very gratifying report made by our Publishing Agents. Their splendid showing is worthy of high praise and commendation. Respectfully submitted,

F. O. FAVRE, President,  
FRAZIER SMITH, Secretary.

#### COMMITTEE ON CHRISTIAN LITERATURE

##### Report No. Two

The Joint Board of Publication at its last meeting requested that the Texas Conference accept an assessment of \$692.00 for the strengthening of the Editorial Department of the Texas Christian Advocate.

This assessment has been approved by the Commission on Finance and your committee on Christian Literature recommends that the Conference accept same. Respectfully submitted,

F. O. FAVRE, President,  
FRAZIER SMITH, Secretary.

#### BIBLE BOARD

The work done by the American Bible Society has been a blessed service to that part of the world where it has been permitted to operate, especially so at this particular time. The tragedy of the war left in its wake many young soldiers blind, maimed and crippled. All, or at least a great per cent of these have looked into the sacred pages seeking comfort, and have appropriated their findings to their soul's good.

The record of the sales by the American Bible Society shows an increase in the sale of Bibles rather than parts or Testaments.

The Southwestern Agency makes this report: Families without Bibles, 894. Of this number 665 have been supplied. Number of Bibles distributed, 68,617; number of Bibles donated, 3,569.

For the lack of funds with which to employ the usual or sufficient colportage force, the Society has done a great work through the Missionaries.

The Bible has been distributed in forty different languages—thereby meeting the needs of our land among the different races making up our great population.

Inasmuch as it would be next to an impossibility for the preachers of this Conference to preach on the claims of Bible Society November 28th, we recommend that the pastors carry out the program of the Society the second Sunday in May, 1921.

We further recommend that some of our special Missionary efforts be turned into the channels of the American Bible Society.

D. W. GARDNER, Chairman,  
R. E. BEAIRD, Secretary.

#### EPWORTH LEAGUE BOARD

The Epworth League Board believes that the Conference is neglecting one of the most important fields of fruitfulness by not making larger use of the Epworth League. The Conference Epworth League President's report shows progress under serious handicap. Future plans have provided District Secretaries, there now being one in each Presiding Elder's District. Their business is to plan district conferences, encourage chapters and organize new chapters. We heartily recommend co-operation with them in their aggressive policies.

We respectfully call your attention to paragraph 384 of the Discipline which provides for the observance of young peoples' or anniversary day in every congregation the second Sunday in May.

As a further assistance we recommend an assessment of \$500.00 to aid the Conference Epworth League in carrying out their program.

In accordance with the request from the Northwest Texas Conference, we join them in asking that instruction in Epworth League work be incorporated in the Western Training School at Dallas.

Permit us to call attention to the need of co-operating in the Life-Saving Program of the educational movement.

We make bold to request that our educational institutions make full use of the Epworth League in the social and religious training of the student body.

A. A. WAGNON, President,  
J. C. MARSHALL, Secretary.

#### TEMPERANCE AND SOCIAL SERVICE

When the armistice was signed and the proclamation of peace was wired over the world, our nation with others hailed with ex-

ceeding great joy the triumph of the Entente, and hoped for speedy and permanent peace. But, alas, there is no fulfillment yet, of the prophecy, "Swords shall be beaten into plough shares, and nations shall learn war no more."

So when national prohibition was written into our Constitution many thought the end of the liquor traffic had come. That the brewers and the distillers would no longer endanger the land or control the platform makers of great political parties. While the traffic is outlawed 'tis not fully conquered. There is gorilla warfare which threatens to make the law a dead letter and to restore rum rule. "Eternal vigilance is the price of liberty." The church must develop public sentiments to where it will demand adequate enforcement of law and we must educate the youths as to the evils of alcohol, and must teach the foreigners the good of prohibition.

The tobacco question needs more definite and decided action on the part of the church. In this day when the cigarette habit is not only harming our boys but actually injuring the girls that are forming the habit very rapidly.

To the social service movement, Methodism has been committed from the first. It was incorporated into our general rules and was adopted as a part of our constitutional law. We believe in social service that proceeds from a heart of love.

The Sabbath question should be carefully considered. We can not have an America without the Christian Sabbath. The wide spread desecration of the holy day threatens every worthy institution of our land. We recommend the endorsement of the action of the Tennessee Conference which appeals to Congress for national Sabbath law.

We endorse the Anti-Saloon League in its law enforcement crusade. We condemn the opening of all fairs on Sunday, and urge our people to withhold their patronage.

JNO. E. GREEN, Chairman,

G. W. RILEY, Secretary.

**REPORT OF THE SUPERANNUATE ENDOWMENT FUND**

We are pleased to report that despite the fact that our movement has been temporarily sidetracked for other interests, our assets have attained proportions which amply justify our existence. In addition to a substantial sum in cash and V. L. notes we have this

year secured in fee simple two commodious homes for our superannuate preachers, valued at \$4,500.00. One of these homes is located at Tyler, and was in part donated to us, and is now occupied by Rev. W. W. Horner. The other is at Alto, a gift from that splendid layman, Brother, E. M. Decker, of that place. The Bishop and cabinet will be asked to locate a preacher in this home at once.

The Board wishes to express its appreciation to Rev. O. F. Zimmerman for valued services rendered to our cause this year.

The Board again asks that authority be given the Executive Committee to employ an agent for collecting outstanding subscriptions and securing homes for the superannuates.

W. W. WATTS,  
W. D. WHITE,  
A. A. WAGNON,  
Committee.

### ORPHANAGE BOARD

We commend the splendid work done at the Orphanage this year. We call the attention of the pastors again that no assessment is levied for this institution, and that the home depends on voluntary contributions, and we therefore urge that our pastors bring the home to the attention of the people, and we suggest that the Christmas season be an appropriate time for this.

All remittances should be sent to the Conference Treasurer. We urge the continued method of clothing the children by individuals.

WALTER CANNAN, President,  
D. E. SNELLER, Secretary.

### HOSPITALS

I beg to submit the following report on the hospital activity in our Conference for the year just closed:

At our last session the Texas Conference took over the Nor-sworthy Hospital in the city of Houston, and ordered a campaign for new building, said campaign to be for the sum of \$200,000.00.

Late in the year 1919 there went to record the deed to the above named institution and the Methodist church became the owner by title to this splendid piece of property with all its equipment. Later the trustees purchased the adjoining lot on the west which gives us one lot more than the entire half block on San Jacinto street.

The church throughout the entire Conference has responded heartily to this work and gives assurance that we shall build here a great institution for the care of the sick and infirm.

As a church we hope to have our Lord say at that day of days,

"I was sick and ye took care of Me," and "Inasmuch as ye did it unto one of the least of my brethren ye did it unto Me."

We have raised in the Methodist churches in Houston in cash and subscriptions the sum of \$103,000.00 and in the Conference at large, leaving out the Texarkana District, \$42,000.00 in cash and subscriptions. Of the above sum we have collected in cash \$37,475.04.

There is now in process of collection all the balance on subscriptions as they fall due.

A large number of charges in the Conference ratified their quota and set the Christmas holidays to care for the hospital.

We ask all the charges where the hospital has not been presented to take the holidays for hospital week and present the matter to the church.

We beg all pastors to look carefully after subscriptions that have not been paid, so that we will be enabled at the earliest convenient date to begin work on the new building.

We recommend that Judge Ed. S. Phelps be added to the board of trustees.

R. W. ADAMS, Manager.

---

## HOSPITAL REPORT—NO. TWO

### Texarkana Hospital

Early in the Conference year just closed we had a proposition from the owners of the Pine Street Hospital in Texarkana desiring that this institution should be taken over by the Methodist church. A campaign was launched in the city of Texarkana and in the Texarkana District and there has been raised in cash and subscriptions the sum of \$45,000.00 and the matter of the church taking over the hospital is still pending.

We recommend that a commission of three, namely, W. F. Bryan, J. E. Morgan and R. W. Adams, be appointed by this Conference to go carefully into the matter and report to the next session of this Conference.

J. E. MORGAN, ET. AL.

## CONFERENCE RELATIONS

We, your committee on Conference Relations have had the following names referred to us for the Supernumerary Relations: G. L. Taylor, C. J. Atkinson, Leo Hopkins, W. J. Land, and L. H. Bradford, and we recommend that they be granted.

#### DISTRICT CONFERENCE RECORDS

We had before us six records, that of the Texarkana, Marlin, Marshall, Navasota, Jacksonville and Timpson Districts, and we find that these are well and orderly kept. We especially commend the records of Jacksonville and Marlin Districts for their neatness.

The records of the Tyler, Beaumont, Houston and Brenham Districts were not before us.

#### LAY ACTIVITIES

We believe that now, as never before, our laymen realize that it is the mission of the church to bring the world to Christ. The results of the Centenary movement have been most gratifying, and has enlisted some of our best laymen, and has also taught them to lay their finances on the altar of the church.

We have heard with pleasure the addresses of E. H. Rawlings. We deplore the fact that our Conference stands near the foot of the list in Centenary collections, and we urge that pastors and laymen remedy this condition. Our laymen are anxious for fields of greater usefulness.

T. E. ACKER, Chairman,  
R. G. BOGER, Secretary.

## RESOLUTIONS

Resolved, That we urge the faculties of all our schools under the care of the Texas Conference to organize Epworth Leagues among the student body, for the promotion of our Methodist work among them.

Powell, and that said trustees be instructed to convey title to said property to the board of managers of the Superannuate Endowment Fund of the Texas Conference, and that said trustees be discharged after the performance of this specified duty.

A. A. WAGNON.

Be It Resolved, That we extend to the city of Houston, its pastors and churches and other co-operating agencies our heartiest thanks;

2. That we especially appreciate the work of the various Missionary Societies by serving noon day lunches at the church;

3. That we have heard with great pleasure and profit the great inspirational addresses of Dr. Goodell and that we pledge ourselves to carry out the truth taught by him in our lives.

4. That we pray God's blessings on all these parties mentiosed.

Committee.

Whereas, a certain property in the county of Bowie, State of Texas, amounting to 585 acres, has been alienated from our church by neglect on the part of the trustees holding same, and

Whereas, a request has been made for a Quit Claim Deed by innocent purchasers of same, in order to clear the title,

Therefore, Be It Resolved, That a commission consisting of the following persons be hereby empowered to give such Quit Claim Deed, or take any additional steps which may serve the ends of justice in this matter.

The following persons are nominated to serve on said commission: J. E. Morgan, Judge O. B. Perkins, J. N. McCain.

## IN MEMORIAM

---

James Bryson Turrentine

J. B. Turrentine was born in Daingerfield, Texas, January 28, 1864, and when transferred to heaven was 56 years, seven months and eight days old. He was in the highest and best sense A SELF-MADE MAN. Thrown on his own resources in early life, the man that was to be, began to struggle in him and whether as shop-keeper, farmer, ranchman, train conductor, or yard master, each was made a stepping stone upward to the goal he had set for himself.

He sought knowledge in the public schools by day and at night by candle light until he had laid the foundation of a useful career, when he read law and was admitted to the bar soon after attaining his majority. His license was granted by the District Court at Daingerfield, and almost immediately he was elected County Attorney of his native county. From the day of his taking office he became a terror to evil doers.

He was happily married in 1886. He was converted in 1891, and the same year God called him from the study of law to the ministry of the world. He was not disobedient to the heavenly vision, but in 1892 resigned his office as County Attorney, and was admitted on trial in the North Texas Conference, and showed first to the people of Kildare and Queen City, and to all the regions round about that they should repent, and so powerful was his reasoning and evangelical his preaching that more than 350 souls were converted in the two first years of his ministry.

Brother Turrentine was an able minister of the word in every way. He knew and expounded the doctrines of the church with such wisdom and fervor, that whether as pastor, Presiding Elder or college president, he had immediate and lasting results to his ministry.

This was not all. He was a good pastor. He fed the flock of God. He ministered to his people in their places of business, and led men to Christ. He visited from house to house, and prayed around the family altars. With the Bible and song he cheered the sick and dying, and at the open grave out of the fullness of his sympathetic heart he comforted the mourners. With all this he was a good business man. His reports were always full, and he left every charge stronger than he found it.

He served the following charges: Kildare, 1893; Queen City, 1894-94; Trinity, 1896; San Augustine, 1897; Center, 1898-99, 1900-01; Willis Point, 1902-03-04; Texarkana First Church, 1905-06; First Church Beaumont, 1907; Bryan, 1908; Texarkana again 1909-10; Centenary Palestine, 1911; Navasota District, 1912; Tyler District, 1913; Jacksonville District, 1914; President of Alexander College, 1915; Marshall District, 1916. At the end of this year his health was poor

and he was granted the Supernumerary Relation, and moved to his home in Texarkana, where he was appointed clerk of the Federal Court and United States Commissioner. He was ordained deacon by Bishop Hargrove in 1894, and Elder by Bishop Keener in 1896.

Sister Turrentine says of her beloved, "I will not say that he is dead, he is just away. With a cheery smile and wave of the hand, he entered into another land and left us dreaming how fair it must be since he lingers there." Yes, Sister, it is a fair land. And O, such company. John Mathis, John Adams, I. Alexander, and a host of others, his loved companions in this blessed warfare.

#### Rev. John Helpenstill

Rev. John Helpenstill was born in Nacogdoches county, near Lynn Flat, September 28, 1859.

He was married on May 2, 1880. Was licensed to preach November 18, 1882 and admitted on trial in the East Texas Conference November 28, 1883. He was ordained Deacon at Beaumont by Bishop McTyeire in 1885, and Elder at Marshall by Bishop Duncan in 1887. He made a good record as an itinerant preacher, going always willingly to the work assigned him, and returning at the end of the year with a good report.

He was forced by ill health to a Superannuated Relation after only a few years of service, but did not cease to render service to the church with his superannuation, though frail and suffering from frequent hemorrhages, he continued to preach acceptably as often as his condition permitted.

He peacefully passed away at Cushing, Texas, April 20, 1920.

#### Thomas Smith Garrison

Was born in Carrol County Georgia, May 17, 1837, and died at Timpson, Texas, November 2, 1920. Coming to Texas in 1867, he went first to San Marcos, where he lived for three years. For some fifteen years his home was at Caledonia, Rusk County. Here he engaged in farming and merchandising. He was among the first to build a home and begin business at what was to be the town of Timpson. In the communities in which he lived, he not only stood for the best things, but led, personally and with his money, in behalf of the best. In matters of civic improvement, moral reform, building churches and schools, or improving the highways, there was never any question as to the position of Smith Garrison.

He was a practical business men. He had faith in men, he believed in the future of this country. In desiring its improvement,

he felt that some responsibility for this progress rested upon him, and splendidly did he measure up to the responsibility of good citizenship. Men recognized his leadership, and placed important measures in his hands.

Brother Garrison was the friend of preachers. Not merely friendly to them, but stood by them in their conflicts. It was his desire to make their burdens lighter. The finances of the church were always an interest to him. He wanted to do his part, and desired, also that his church should never have a deficit.

For more than forty years a lay member of the Annual Conference, and most of this time connected with the Finance Board and the Church Extension Board. Because of his faithful service, the Loan Fund of Texas Conference bears the name "Smith Garrison." His membership in nine General Conferences gives him a place all to himself as a layman of the church. The church honored him, and he had due appreciation of the honor and responsibility conferred on him by the church in Annual and General Conferences. He was not less faithful to local conferences. He was as punctual in his attendance on the prayer meetings.

His marriage in young manhood to Miss Lizzie Avery was an event that entered largely into the success of this noble man. The quiet, modest wife, and mother of his five children, with whom he walked, hand in hand, for fifty-two years, "fell to sleep" two years before the strong body of our honored brother ceased to walk among men. Though loving attention was given him by devoted children, he walked in loneliness and sorrow, but in faith, until God took him.

#### Mrs. Cornelius Pugsley

Mrs. Jennie Neal Pugsley was born in Higginsville, Missouri, November 27, 1875. She died at Timpson, Texas, December 22, 1919. Funeral services were held in the Methodist Church at Timpson, Texas, conducted by Rev. E. L. Ingram, presiding elder of Timpson District. The entire church was in the deepest grief at the untimely going of such a gracious Christian lady. She was buried at Independence Missouri. The remains were accompanied to that place by the family, attended by Brother Ingram.

Sister Pugsley was married to Rev. Cornelius Pugsley, Sr., June 16, 1897. With her husband she moved to Texas in 1904. She was the mother of two children, Cornelius, Jr., student in S. M. U., and Margaret, who is at home with her father.

She and her faithful husband served all kinds of pulpits in the church and wherever she went she was at home. In the country, in the village, in the city she was ever a ministering angel of mercy. The writer had known her for more than a dozen years and a more

queenly woman in the parsonage he never saw. She was accomplished with that culture of mind and heart that comes from good breeding and holy living.

She delighted to serve, and through service she reigned with queenly grace wherever she went. She was a Christian from childhood and usefulness characterized her steps at every turn of the road. She was a rare personal worker. She possessed a unique charm of personality that made her a favorite wherever she lived. As a mother of her children she was careful and sympathetic, as a wife she was a real helpmeet to her husband, as an hostess in the home he was gracious with a queenly touch of courtesy that always charmed the visitor.

She has met her loved ones and our loved ones over there. The bowers of immortality are open to her pilgrim feet, no more long itinerant moves, labor is ended and rest begun. May a good and merciful God help us all to be ready and waiting when the summons comes to us.

E. A. MANESS.

#### Mrs. S. N. Allen

Mrs. S. N. Allen, nee Jackson, wife of Rev. S. N. Allen, was born and reared in Van Zandt county, Texas. She was converted and joined the Methodist Church in early childhood.

She was married to S. N. Allen and with him devoted her life to the itinerant ministry, ever ready to go to the work assigned and do her part in the work of her Lord.

She was a great sufferer for the last ten years of her earthly life, but bore her sufferings patiently to the end, which came on the 7th of June, 1920, when she passed peacefully away in her parsonage home at Redwater, Texas.
